

Swarovski Crystal Society Membership General Terms and Conditions

Modified in January 2018

1. General

These General Terms and Conditions ("GTC") govern the Swarovski Crystal Society Programme ("SCS Programme") with respect to new membership enrollments January 1, 2018 or later, or renewal membership terms beginning January 1, 2018 or later. The Swarovski Crystal Society membership is a joint customer programme by Swarovski Aktiengesellschaft, Dröschstrasse 15, 9495 Triesen, Principality of Liechtenstein and the respective local Swarovski Company responsible for the members' country of residence (jointly referred to as "Swarovski"). Swarovski Company responsible for the members' country of residence may be located in another country than members' country of residence. Use of any membership in Swarovski Crystal Society membership ("membership") at any time subjects the member to the provisions of these GTC, as amended from time to time.

2. Benefits

The SCS programme entitles the SCS members for exclusive benefits. Swarovski will communicate membership exclusive benefits on a regular basis via a communication channel at Swarovski's sole discretion. The list of benefits are always available in any participating store or online in the SCS section of swarovski.com. The benefits may change from time to time.

3. Conditions

- For the Member Benefits to apply, the membership account must be active at the time of purchase/event.
- Memberships are for individual use only and are non-transferable.
- Members are expected to submit and maintain accurate and current user information in connection with their memberships. Such information includes name, address, email address, and telephone number. Members can change their account information by (i) updating member profile data through an SCS online account, (ii) requesting an update from a Swarovski Store (iii) contacting Customer Relations at members' country of residence (by phone, email or otherwise) which can be found either in the membership brochure or online on swarovski.com/contact. Swarovski cannot assume any liability for correspondence, mail or e-mail that is lost, delayed, or misdirected.

4. Membership Fee

- A (new or renewal) Membership is available for one (1) year or for three (3) consecutive years. The fees for the Membership are set annually and are communicated in members' country of residence either in the Swarovski store or online (swarovski.com/scs) or on the order form of the respective country. Swarovski may change the membership fee or periods at any time, changes will apply only to new and renewal Memberships.
- New or renewal Membership fees can be charged and/or debited by Swarovski on the date the term of Membership or renewal begins from the member's bank account or any other applicable payment method, depending what payment method has been chosen or is available in the respective jurisdiction. If a debit fails or payment is not received on time, the amount of the fee is still due to be paid by the member (outstanding debt). In such case, Swarovski has the right to suspend the Membership without further notice.
- Membership fees are not refundable.

5. Term; Renewal

- If the member has chosen a fixed term Membership, each Membership will automatically expire after the Membership term unless the member extends its respective Membership. A renewal within a current Membership term extends the existing expiration date of the Membership by the renewal term; such renewal term begins the day after the current term ends.
- If the member has chosen a Continuous Membership, each Membership will automatically renew for successive new period(s) of one (1) year each, unless the member terminates the Membership by giving Swarovski one (1) month notice before expiration of the Membership. The renewal term of one (1) consecutive year begins the day after the end date of the previous Membership term.
- Swarovski will use good efforts to contact the member before the end of the Membership term. For fixed Membership, Swarovski grants the member an adequate grace period (not more than 2 months) after the end date of the Membership term to renew the Membership. A renewal term begins the day after the end date of the previous Membership term. The members' personal number of Membership will not be used for any other member for 5 years after the end date of the Membership.

6. Termination

- Depending on the chosen Membership, (a) members can terminate the Continuous Membership at any time with effect of expiration of the term at least one (1) month before the term expires; or (b) for Fixed Membership, the membership expires automatically after the Membership period unless extended by the member.
- Swarovski may terminate the membership, including any associated accounts, without observing a notice period, for any reason in its sole discretion, including without limitation if continued use of such membership would violate any provisions of these GTC, applicable law, or otherwise be harmful to our interests. In the event of any such termination, the member will not be entitled to a refund of its membership fee.

7. Disclaimers; Limitation of Liability

- Use of the SCS Programme and any of its associated benefits is at members' sole risk. The membership benefits are provided on an "as is" and "as available" basis.
- Swarovski makes no warranty that (i) the SCS Programme will meet the members' requirements, (ii) the SCS Programme will be uninterrupted, timely, secure, or error-free.
- Swarovski shall not be liable for any indirect, incidental, special, consequential or exemplary damages, including but not limited to, damages for loss of profits, goodwill, use, data or other intangible losses (even if Swarovski has been advised of the possibility of such damages), resulting from: (i) the use or the inability to use the SCS Programme or any benefits thereof; (ii) the cost of procurement of substitute goods and services resulting from any goods, data, information or services purchased or obtained or messages received or transactions entered via the use of the SCS Programme; (iii) unauthorised access to or alteration of members' the SCS Programme data; or (iv) any other matter relating to the SCS Programme.
- Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental, consequential or other damages. Accordingly, some of the above limitations and exclusions may not apply.
